

# The 23rd Annual Report on Eating Patterns in America

## Table of Contents – Analysis

Methodology	1		
Summary of Findings	5		
<b>I. The Big Picture ... Key Trends</b>	<b>8</b>		
a. Economic Issues	9		
1. Gross Domestic Product	9		
2. Gasoline Prices	10		
3. Miles Driven	11		
4. Food Prices	12		
5. Percent of Income for Food	13		
6. Foodservice Share of Food Dollar	14		
7. In-Home vs. Away-From-Home Meal Costs	19		
8. Intentions to Use Restaurants	21		
b. Restaurant Usage	24		
1. Monthly Trend in Restaurant Usage	24		
2. Trend in Cost of a Restaurant Meal	29		
3. Changes in Restaurant Usage	30		
4. Grill Usage vs. Supper Usage	36		
5. On-Premise vs. Take-Out Restaurant Usage	39		
6. Take-Out Usage by Meal Occasion	44		
7. Top Take-Out Foods for Supper	45		
8. Growing Sources for Take-Out Suppers	46		
9. Eating Supper Out at a Restaurant	50		
10. Trend in Order Size	51		
11. Meals Paid For By Others	55		
12. Entertaining Guests	56		
13. Weekly Restaurant Sales Trend	57		
14. Annual Trend in Restaurant Usage	59		
15. Female/Male Employment Trends	60		
16. Median Household Income	62		
17. In-Home Meals	63		
18. Ten Fastest-Growing Restaurant Concepts	64		
19. Most Popular Restaurants	65		
c. In-Home Meals	69		
1. Where meals are obtained	69		
2. Trend in In-Home Supper Meals	70		
3. Trend in In-Home Lunch Meals	71		
4. Trend in In-Home Breakfast Meals	72		
5. Trend in Skipped Meals	73		
6. Importance of Home Meals	74		
7. Top Reasons For Using Restaurant	75		
8. Customer Satisfaction with Restaurants	76		
9. Primary Meal Preparer at Supper	77		
10. Percent of Supper Meals Prepared by Restaurants	78		
11. Trend in Women Cooking	79		
12. Trend in Men Cooking	80		
13. Grilling Trend	81		
14. Grilling By Season	82		
15. Men Cooking	85		
16. Meal Clean-Up	89		
17. Top Items Consumed In-Home	92		
18. Top Items Consumed in 1984	93		
19. Trend in Top Items Consumed	94		
20. Changes in Foods and Beverages Since 1984	99		
21. Trend in Growing/Declining Items	100		
22. Trend in "Homemade" Dishes	106		
23. Trend in Frozen Dishes	108		
24. Trend in Ready-to-Eat Dishes	110		
25. Trend in Private Label	111		
26. Top Brands of Foods/Beverage Consumed	112		
27. Appliance Usage Trends	115		
28. Carried-From-Home Meals	119		
29. Trend in Total Meals	123		
d. Health and Diet Trends	124		
1. Body Mass Index Trend	124		
2. Annual Trend in Adults Overweight Since 1995	125		
3. Interest in Losing Weight	126		
4. Attitude About Weight	127		
5. Dieting Trends	128		
6. Growing/Declining Diets	129		
7. Most Popular Diets	132		
8. Consumption of "Better For You" Labeled Products	138		
9. Most Popular "Better For You" Label	139		
10. Trend in Reduced Fat Products	142		
11. Trans Fat Trend	143		
12. Concern about Calories	145		
13. Label Checking	148		
14. Avoiding Harmful Substances	154		
15. Importance of Taste	155		
16. Add Beneficial Ingredients	156		
17. Probiotics	157		
18. Organics Products	159		
19. Glycemic Index	163		
20. Food Safety Issues	164		
<b>II. Breakfast In America</b>	<b>168</b>		
a. Starting the Day	169		
1. Time To Wake and Eat	169		
2. Time Spent Eating Breakfast	171		
3. Top Motivations	172		
b. Source of Breakfast Meal	173		
1. Where Prepared	174		
2. Importance of Restaurants	175		
▪ Eating Out at a Restaurant	176		
▪ Take-Out From a Restaurant	180		
3. Carried-From-Home Breakfasts	182		
▪ Age/Sex Profile of Those Who Carry Breakfast	185		
▪ Most Frequently Carried Breakfast Products	188		
c. Source of Take-Out Restaurant Meals	191		
▪ Trend in Coffee	182		
▪ Top Take-out Breakfast Items	195		
d. Coffee	197		
▪ Take-Out Coffee Trend	198		
▪ In-Home Coffee Trend	199		
e. In-Home Breakfast	201		
1. Trend in Breakfast Skipping	203		
2. Most Popular Items Consumed In-Home	204		
3. Trend in Juice Consumption	206		
▪ Consumption of Juice by Age of Eater	207		
▪ Attitudes Affecting Juice Consumption	208		
4. Trend in Most Popular Breakfast Items	212		
<b>III. Lunch In America</b>	<b>238</b>		
a. Motivations For Food Selections	239		
b. Source of Lunch Meals	240		
c. Meals Eaten Outside of Home	242		
1. Eating Lunch Inside a Restaurant	243		
▪ Fast Food's Share of On-Premise Meals	244		
▪ Fast Casual's Share of On-Premise Meals	245		
▪ Casual Dining's Share of On-Premise Meals	247		
▪ Mid-Priced Restaurant's Share of On-Premise Meals	248		
▪ Most Popular Items Ordered	249		
2. Take-Out Lunches	253		
▪ Brought Back to Work	253		
▪ Consumed in Car	254		
▪ Most Popular Items Ordered	255		
3. School/Workplace Lunches	259		
4. Lunches Carried From Home	265		
▪ Carried Lunches by Age/Sex of Eater	266		
▪ Items Carried From Home	270		
d. Lunch Meals Consumed In-Home	272		
1. Most Popular Items Consumed In-Home	273		
2. Importance of Sandwiches at Lunchtime	275		
▪ Homemade Sandwiches	276		
▪ Ready-Made Sandwiches	277		
▪ Most Popular Sandwiches	279		
▪ Trend in Most Popular Sandwiches	280		
3. Trend In Other Popular Lunch Foods/Beverages	288		
4. Growing Lunch Items	290		
e. Skipping Lunch	298		
<b>IV. Supper in America</b>	<b>300</b>		
a. Source of Supper Meals	301		
b. Primary Meal Preparer	302		
1. Going Out To Eat/ Bring Food Home	303		
▪ Most Popular Restaurants Used	304		
c. In-Home Meals	305		
1. Men Cooking	305		
2. Number of Dishes Served	306		
3. Type of Dish Served	307		
4. Main Dishes	308		
▪ Form of Main Dish	310		
5. Leftovers	314		
6. Appliance Usage	315		
7. Most Popular Main Dishes Served	318		
8. Side Dishes	324		
▪ Form of Side Dish	326		
▪ Frozen Side Dishes	329		
▪ Most Popular Vegetables	331		
▪ Desserts	336		
▪ Form of Desserts	338		
▪ Most Popular Desserts	339		
9. Beverages	343		
d. Most Popular Beverages	346		
e. Restaurant Meals	352		
▪ Eating Out At Restaurant	353		
▪ Type of Restaurant Visited	354		
▪ Foods Ordered	359		
▪ Take-Home Meals From Restaurants	363		
▪ Restaurant Category Share of Take-Home Suppers	365		
▪ Most Popular Take-Home Foods	366		
<b>V. Snacking In America</b>	<b>377</b>		
a. Attitudes About Snacking	378		
b. Number of Americans Who Snack	379		
c. Snacks Another Meal?	380		
d. Planned and Unplanned Snacking	381		
e. Snacking Location	388		
1. Restaurant Snacking	389		
2. Late-Night Snacking	395		
1. Evening Snacks	402		
2. Most Popular Items Consumed as Evening Snack	402		
3. Growing Item Consumed as Evening Snack	403		
3. Morning Snacking	404		
1. Most Popular Items Consumed as Morning Snack	411		
2. Growing Item Consumed as Morning Snack	412		
f. Typical Snack Foods	413		
1. When Snack Foods Are Consumed	414		
2. Most Popular Snack Foods	416		
3. Declining Snack Foods	417		
4. Growing Snack Foods	418		
5. Better-For-You Snack Trends	419		
▪ Most Popular Health Label	420		
6. Motivations for Choosing Snack Foods	424		
g. Long-Term Trend in Foods Consumed Between Meals	425		

# The 23rd Annual Report on Eating Patterns in America

## Table of Contents – Data Tables

<b>I. Trends in Source of Meals – 1984 to 2008</b>		<b>VIII. Nutritional Concerns – 1985 to 2008</b>
